

FOAM-X[®] NEW

ALL IN ONE

Foamboard
with impressive possibilities

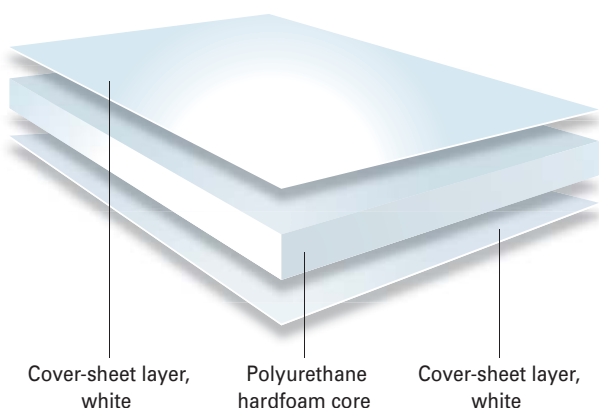

- SCREEN PRINTING
- MOUNTING
- PUNCHING

Now
with new
foam core

FOAM-X[®] is now called FOAM-X[®] NEW

■ **FOAM-X[®] NEW** now features a high-quality rigid polyurethane hardfoam core between two white coated covering layers, it offers you everything that you would wish for a lightweight indoor all-round foamboard in terms of rapid handling:

- **Excellent flatness for screen printing, mounting and punching**
- **Compatible with solvent-based adhesives and inks**
- **easy to trim and cut – the foam will not crumble during processing**

When processing FOAM-X[®] NEW, please comply with our processing instructions that can be obtained by sending an e-mail to displayeu@alcan.com or downloaded from our website.

■ **FOAM-X[®] NEW** now makes it really easy for you to come up with new ideas. The large number of dimensionally stable formats offers maximum possibilities and gives free rein to your creative forces.

Formats		Thicknesses mm	
mm	Inch	3	5
